

Nursing Job Offer for Greek Nurses at the Great Western Hospitals NHS in Swindon, UK:

The Great Western Hospital
[cid:image003.jpg@01D224B9.8984FEF0]

The Trust employs 1700 people and provides 236 beds. Services include in-patient facilities for surgical and medical specialities, as well as maternity services, community paediatrics and child and adolescent mental health services, x-ray, pathology, pharmacy, occupational therapy, physiotherapy, speech therapy, audiology and pathology and radiology and other support services. The Trust is recognised as providing efficient and well-organised Cancer services. This has been supported by both Regional and National Accreditation processes. As part of the Avon, Somerset and Wiltshire Cancer Network, the Trust provides a range of cancer services. Those services already accredited include, Breast, Colorectal, Lung, Gynaecology, Palliative Care and Urology. General out-patient services are provided in the main out-patient suite. There is a busy Emergency Department seeing some 51,000 patients annually. The Emergency Department is part of a new £8.5 million Urgent Care Centre which opened in 2011. Other recent refurbishment activity has seen improvements to several wards, as well as a significant upgrade of the Pathology laboratories.

About the offer:

- Standard NHS Permanent contract;
- Salary Band 5 (£ 21,909 to £ 28,462) for all registered nurses, dependent on demonstrated experience by the candidate.
- Loyalty period of 2 years;
- 37.5 weekly hours;
- 27 days of yearly leave and 8 holidays;

- In the event a candidate has not completed his/her registration with the NMC at the time of commencement of employment, he will be invited to begin working as a healthcare assistant until the registration is complete;
- Career progression and development opportunities;
